Dear Friends

On behalf of the Fisher House in St Louis Board, please accept our heartfelt gratitude for your generous contribution of \$2,500.00 . This entire amount will be used to care for families residing in the Fisher House at the Jefferson Barracks Campus of the St. Louis VA Medical Center. For the families who want to be at the bedside of their hospitalized Veteran or military member, few can afford the extended stays in commercial lodging to do so. Yet, their love, care, support and presence are essential to the healing and recuperation process. The Fisher House motto recognizes this necessity with their motto of: "...because a family's love is good medicine."

Over the next decade, your donation will help serve thousands of families of Veterans and military members. These families will be able to stay in our Fisher House....AT NO CHARGE...and for as long as their loved one is hospitalized. For the wounded returning from Operation Iraqi Freedom or Operation Enduring, Freedom, this is especially important since some will require extended treatment.

The many military and veterans' families, who will benefit from your thoughtfulness, join me in expressing our collective appreciation for your generosity. Thank you!

Sincerely,

James B. Donahoe, President
Fisher House in St. Louis Board
